The Essence of **Q U R A N**

In the Name of Allah, the Beneficent, the Merciful

Praise be to Allah, the Lord of the Worlds

The Beneficent, the Merciful

Master of the Day of Judgement

Thee (alone) we worship :

Thee (alone) we ask for help

Show us the right path,

The path of those whom Thou hast favoured :

Not (the path) of those who earn Thine anger
nor of those who go astray.

Aameen!

(Al Qur'an 1:1-7)

The Ambur Muslim Educational Society (AMES) was founded in the year 1905 which made a humble beginning by starting a small elementary school for boys has now grown well to an extent of having of following institutions to its credit:

1. Mazharul Uloom College (Day & Evening)
2. Mazharul Uloom Higher Secondary School
3. Mazharul Uloom Primary School
4. Mazharul Uloom Coaching Centre for Women
5. Hasanath-e-Jaria Girls Higher Secondary School
6. Hasanath-e-Jaria Girls Primary School
7. AMES College of Education

Islam has given immense importance to education and spreading of knowledge. Prophet Mohammed (Pbuh) has stressed the need for having education compulsory through many of his sayings such as

1. Seeking education is compulsory for both men and women
2. The ink of the scholar is holier than the blood of the martyrs
3. Grasp knowledge even if it is available in China.

The educational backwardness of the Muslim community moved the altruistic heart of the tireless social activist, Janab T. Abdullah Sahib, who thought of doing something to improve the condition. With the support of some prominent Muslims, he started Madrase-e-Mazharul Uloom, a small school meant for students of all communities without any discrimination. However, his primary intent was to uplift the Muslim Community educationally, economically and culturally. He was rightly honored with the appellation "Sir Syed of Ambur".

The caravan of the AMES with its dedicated team is on the march transforming the society to take up to modern education for their future betterment and make our country India, stronger.

AMES celebrated its centenary in grand manner on 4th, 5th and 6th September 2006 at the Mazharul Uloom Higher Secondary School premises and the then President of India Dr. A.P.J. Abdul Kalam inaugurated the function, interacted with the students who had gathered them from different institutions and delivered his inspiring speech. ■

The Mazharul Uloom College was founded by the Ambur Muslim Educational Society (AMES) in 1969 with the united efforts of a dedicated team under the initiative, support and guidance of the great leather industrialist and philanthropist late Janab Anaikar Abdul Shukoor Sahib.

The College started with a few students and has now grown over the years like a snowball with increasing number of students and teaching and non teaching staff catering to the ever increasing student population. It is situated on its own grounds of 20.5 acres along with the newly founded AMES College of Education from the academic year 2003-2004.

The College, true to the vision of its founders, caters to learners at large transcending the limits of caste, colour and creed with five UG courses in the Day College and Seven UG, Four PG courses and also a Research Programme in the Evening College.

The college was upgraded to First Grade with the affiliation of B.A. (Econ.) and B.Sc. (Maths) for the academic year 1971-1972. The University of Madras granted affiliation to B.Com., Course from the academic year 1975-1976, B.A. Corporate Secretaryship (B.C.S.) course from 1984 - 1985, and B.Sc. Computer Science from 1987-1988. Degree classes started functioning in the newly constructed permanent building from 24.01.1972. B.A. (Eco.) course was converted as B.A. (Corporate Economics with computer application) from the academic year 2002 - 2003.

Another mile - stone in the history of the College is the commencing of Evening College within the same permises from the academic year 1995 - 1996 with B.Sc. (Computer Science), B.B.A., in 1996-1997 and B.Sc. Microbiology course in 1997-1998. In the year 2000-2001 B.C.A., was started. In the year 2007-2008 PG Courses, M.Sc. IT & M.Com. were started. In the year 2009 - 2010 B.Sc ISM, in 2010-2011 B.Com CA in 2011-2012 B.A. English were started. In the year 2012-2013 two more PG Courses, MA English & M.Sc Mathametics were started.

In the same year, 2012-2013 Research Programmes M.Phil in Computer Science and Commerce, both full time and part time were started, in addition to the Ph.D part time in Commerce and English that we already have.

“Mazharul Uloom” means the threshold of knowledge or the fountain of knowledge. It refers to the source from where knowledge flows.

The **College Motto is “Striver Secures Success”** and its emblem has four symbols in it- crescent, lotus, book and torch symbolizing growth, knowledge, source of learning and light dispelling darkness of ignorance respectively. The staff and the Management expect every student of the institution to live upto the Motto of the College.

The College apart from its regular courses imparts of moral and value education to students. The teaching plan gives quality education to the students to enable them to become good citizens of our country.

The College also conducts awareness campaigns, personality development and service-oriented programs etc. to instill leadership qualities, human values, team spirit, etc. in the minds of the students.
