Greetings !

The IQAC proposes the Enviro Club to conduct all the National and International Environment related days in the campus and out of the campus. The regular follow up of the observance of cycle day should be done by the Enviro Club. The club should actively plan out- reach programs involving Enviro Club volunteers on such days. The month of September includes World Rivers Day on Saturday the 23rd, when the Enviro club could have an out- reach program to the River Palar(Ambur) as Clean-Up Palar in collaboration with the NSS or any NGO or the Ambur Municipality. Cycle Day would be observed on all working Saturdays.

Looking forward to a positive response.
