MazharulUloom means the threshold of knowledge or the fountain of knowledge. It refers to the source from where knowledge flows. The college motto is Striver secures success and its emblem has four symbols in it- crescent, lotus, book and torch symbolizing growth, knowledge, source of learning and dispelling darkness of ignorance respectively. The staff and the management expect every student of the institution to live upto the motto of the college. The vision and mission of our college is • To bring the hidden potentials of the individuals through comprehensive higher learning • To open the doors of opportunities through updating and modernizing course content • To provide secular education in conformity with global needs The institution aims at encouraging and improving secular and moral education of youth. The college, true to its vision of its founders, caters to learners at large transcending the limits of caste, colour and creed. One of the visions of our college is to bring out the hidden potentials of the individual through higher learning. Higher learning does not confine only to classroom learning. Many Extra Curricular activities and Extension Activities are involved in moulding an overall personality of any student. Our college has a wide range of extension activities and extra-curricular activities like NSS, NCC, YRC, RRC and BDC, Career Guidance and Placement Cell, Citizen Consumer Club, Legal Literacy Club, Rotaract Club etc. Few activities are highlighted here: NSS Our NSS unit is four decades old and has served excellently over the years for the benefit of the society in general and the rural community in particular, covering many villages in and around Ambur in trying to make them self-sufficient, clean and green. Our volunteers have been able to create social awareness for the development of our country and ample opportunities have been provided for the development of leadership qualities and personality development. NCC Since 1979, a full-fledged NCC company has been functioning in our college. It has given and continues to give Para-military training and leadership qualities to the volunteers. CAREER GUIDANCE AND PLACEMENT CELL Choosing the right career is a very challenging task. Careers can actually make or break ones life. So, it is important to make the right choice. The Career Guidance Cell of our college does give continuous counselling to the students and as what they may do after graduation. It tries to help them in pursuing the right courses, in the right colleges or institutes and guides in choosing a suitable career. As a useful dimension of the Career Guidance Cell, our college has been permitting in-campus and off-campus interviews conducted by various MNCs and other major companies through the Placement Cell.
