## **Memorandum of Understanding**

**Between**

**Mazharul Uloom College, Ambur**

**And**

**JAWA Computer Center, Ambur**

The memorandum of Understanding is entered into this 5<sup>th</sup>, January, 2021 (date, month and year) by and between **Career Guidance and Placement Cell: Mazharul Uloom College, Ambur**, an academic institution established in 1969 by Ambur Muslim Education Society. The college is affiliated to Thiruvalluvar University,

And

**Jawa Computer Center,**

No.4, Barnakar 2nd Street, Flower Garden, Ambur, Tamilnadu, India

(Hereafter referred to as “the industry partner”)

### **Purpose**

The purpose of this agreement is to explore the areas of co-operation for mutual benefits of College and Institute because they

- a) Recognise the importance of skill development and contribution required for social development of India
- b) Recognise the mutual interest in the fields of training and development of human resources
- c) Recognise the importance of industry partner in the areas of cooperation given below

### **Areas of Co-operation**

1. Set the ground for long term College –Institute partnership for the benefit of the society
2. Foster mutual support in their learning, training, development, internship and placements based on mutual convenience.

### **Pros for the college**

1. IT skills that are not covered or under covered in the present University syllabus are taught to the students in the form of diploma courses which increases the placement opportunities of our students.
2. Jawa Computer Center provides the courses through Rajeev Gandhi Youth Computer Sakshartha Mission (RGYCSM) which provides many computer based, vocational and short term courses. In Tamilnadu, Jawa Computer Center is the only center in the state which provides the courses under this government scheme.
3. The cost of the course is subsidised as per the current scheme and the student tends to get additional government sponsored diploma course along with the degree.
4. The certificates of the students can also be verified online in future through RGYCSM website.

#### **Pros for Jawa Computer Center (JCC)**

1. Jawa Computer Center gets a steady stream of our college students for their fee based courses. (Monetary benefit to Jawa Computer Center).
2. Students will be getting familiar and reminded of local educational facility in close geographic proximity to Mazharul Uloom College.

#### **As part of MoU**

##### **College will provide**

An opportunity to the guest speaker of Jawa to canvas their programme based on the availability and approval request through college authorities before the conduct of the programme (must intimate prior, based on the availability of college resources)

##### **Jawa Computer Center will provide**

JCC will canvas by either conducting One Day Workshop or Seminar explaining about the various latest courses offered by them and how specific skills present in the courses are in high demand and employability. Also enlightening the students with the road map on how the course would benefit them in their placement with lesser "un-employment time period".

## General terms

1. The parties agree that this Memorandum of Understanding is not a formal legal agreement giving rise to any legal relationship, rights, duties or consequences, but it is only a definite expression and record of the purpose of the parties to which the parties are bound in honour only.
2. Each party shall maintain complete confidentiality of information
3. In no event shall either party be liable for any indirect, incidental, special, consequential damages including but not limited to loss of profits, revenue, data or use, incurred by the other party in connection with, arising out of or under this MOU save for any such loss suffered resulting from any wilful and grossly negligent act or omission of either of the parties.
3. The MOU will be effective from 5<sup>th</sup> January, 2021 ( Date ,month & year).
4. Either party may terminate the Memorandum of Understanding at any time during the term by the provision of One month written notice to the other party.

This Memorandum of Understanding has been drawn up in two (2) original copies in the English language; each party receiving one duly signed copy hereof.
