

POLICY FOR THE PHYSICALLY CHALLENGED

The University Grants Commission has introduced various initiatives to provide the facilities required for persons with disabilities to ensure their equal participation and inclusion in Higher Education Institutions (HEIs).

As per the UGC norms the institutes should create special facilities such as ramps, rails and special toilets, and make other necessary changes to suit the special needs of differently abled persons.

The college provides and tries to make Ad hoc provisions as per the requirement the following facilities:

1. Ramp facilities are available at the toilets, Library building, Open Auditorium, Career Guidance and Placement Cell and Administration block.
2. Wheelchair is available at disposal in the Health Care Centre.
3. We provide scribe for Visually challenged as per their request for writing exams.
