### STUDENT INDUCTION PROGRAMME POLICY DOCUMENT

As per the guidelines of UGC, Student Induction Programme (SIP) should be conducted by all the Higher Educational Institutions for all the newly admitted students. This initiative is undertaken to make the student acclimatise with the transition phase from school to college. In parity with the guidelines prescribed by UGC, Mazharul Uloom College has constituted a Student Induction Programme Committee. SIP Committee conducts the Student Induction Programme since the academic year 2020. The programme is conducted for a span of 6 days consisting of 3 sessions each day. The topics relevant to the current scenario and trends are chosen. Feedback is obtained from the students to know their competency level and their expectation towards the requirement in terms of learning. The SIP plays a pivotal role in developing competitive spirit among the student community.
